

(i) A producer's assembly and shipment record provides a reasonable basis to conclude that the producer will use less than 80 percent of its total allocation by the end of the calendar year, *and*

(ii) The producer refuses a request from the Departments to relinquish that portion of its allocation which they conclude will not be used; *or*

(2) A producer fails to satisfy or fulfill any term, condition or representation, whether undertaken by itself or prescribed by the Departments, upon which receipt of allocation has been predicated or upon which the Departments have relied in connection with the sale or transfer of a business together with its allocation; *or*

(3) A producer, in the judgment of the Secretaries, has failed to make a meaningful contribution to the territory for a period of two or more consecutive calendar years, when compared with the performance of the duty-free watch assembly industry in the territory as a whole. This comparison shall include the producer's quantitative use of its allocations, amount of direct labor employed in the assembly of watches and watch movements, and the net amount of corporate income taxes paid to the government of the territory. If the producer fails to satisfy the Secretaries as to why such action should not be taken, the firm's allocation shall be reduced or cancelled, whichever is appropriate under the show-cause order. The eligibility of a firm whose allocation has been cancelled to receive further allocations may also be terminated.

(b) The Secretaries may also issue a show-cause order to reduce or cancel a producer's allocation or production incentive certificate (see §303.12, below), as appropriate, or to declare the producer ineligible to receive an allocation or certificate if it violates any regulation in this part, uses a form, license, permit, or certificate in an unauthorized manner, or fails to provide information or data required by these regulations or requested by the Secretaries or their delegates in the performance of their responsibilities.

(c) If a firm's allocation is reduced or cancelled, or if a firm voluntarily relinquishes a part of its allocation, the Secretaries may:

(1) Reallocate the allocation involved among the remaining producers in a manner best suited to contribute to the economy of the territory;

(2) Reallocate the allocation or part thereof to a new entrant applicant; or

(3) Do neither of the above if deemed in the best interest of the territories and the established industry.

#### **§303.9 Restrictions on the transfer of duty-exemptions.**

(a) The sale or transfer of a duty-exemption from one firm to another shall not be permitted.

(b) The sale or transfer of a business together with its duty-exemption shall be permitted with prior written notification to the Departments. Such notification shall be accompanied by certifications and representations, as appropriate, that:

(1) If the transferee is a subsidiary of or in any way affiliated with any other company engaged in the production of watch movements components being offered for sale to any territorial producer, the related company or companies will continue to offer such watch and watch movement components on equal terms and conditions to all willing buyers and shall not engage in any practice, in regard to the sale of components, that competitively disadvantages the non-affiliated territorial producers *vis-a-vis* the territorial subsidiary;

(2) The sale or transfer price for the business together with its duty-exemption does not include the capitalization of the duty-exemption *per se*;

(3) The transferee is neither directly or indirectly affiliated with any other territorial duty-exemption holder in any territory;

(4) The transferee will not modify the watch assembly operations of the duty-exemption firm in a manner that will significantly diminish its economic contributions to the territory.

(c) At the request of the Departments, the transferee shall permit representatives of the Departments to inspect whatever records are necessary to establish to their satisfaction that the certifications and representations

contained in paragraph (b) of this section have been or are being met.

(d) Any transferee who is either unwilling or unable to make the certifications and representations specified in paragraph (b) of this section shall secure the Departments' approval in advance of the sale or transfer of the business together with its duty-exemption. The request for approval shall specify which of the certifications specified in paragraph (b) of this section the firm is unable or unwilling to make, and give reasons why such fact should not constitute a basis for the Departments' disapproval of the sale or transfer.

[49 FR 17740, Apr. 25, 1984, as amended at 50 FR 43568, Oct. 28, 1985]

**§§ 303.10-303.11 [Reserved]**

**§ 303.12 Issuance and use of production incentive certificates.**

(a) *Issuance of certificates.* (1) The total annual amount of the Certificate of Entitlement, Form ITA-360, may be divided and issued on a biannual basis. The first portion of the total annual certificate amount will be based on reported duty-free shipments and creditable wages paid during the first six months of the calendar year, using the formula in §303.14(c). The Departments require the receipt of the data by July 31 for each producer who wishes to receive an interim duty refund certificate. The interim duty refund certificate will be issued on or before August 31 of the same calendar year in which the wages were earned unless the Departments have unresolved questions. The process of determining the total annual amount of the duty refund will remain the same. The completed annual application (Form ITA-334P) shall be received by the Departments on or before January 31 and the annual verification of data and the calculation of each producer's total annual duty refund, based on the verified data, will continue to take place in February. Once the calculations for each producer's duty refund has been completed, the portion of the duty refund that has already been issued to each producer will be deducted from the total amount of each producer's annual duty refund amount. The duty refund

certificate will continue to be issued by March 1 unless the Departments have unresolved questions.

(2) Certificates shall not be issued to more than one company in the territories owned or controlled by the same corporate entity.

(b) *Securities and handling of certificates.* (1) Certificate holders are responsible for the security of the certificates. The certificates shall be kept at the territorial address of the insular producer or at another location having the advance approval of the Departments.

(2) All refund requests made pursuant to the certificates shall be entered on the reverse side of the certificate.

(3) Certificates shall be returned by registered, certified or express carrier mail to the Departments when:

(i) A refund is requested which exhausts the entitlement on the face of the certificate,

(ii) The certificate expires, or

(iii) The Departments request their return with good cause.

(4) Certificate entitlements may be transferred according to the procedures described in (c) of this section.

(c) *The use and transfer of certificate entitlements.* (1) Insular producers issued a certificate may request a refund by executing a Form ITA-361P (see §303.2(b)(5) and the instructions on the form). After authentication by the Department of Commerce, the Form ITA-361P may be used to obtain duty refunds on watch movements, watches, and parts therefor. Duties on watchcases not containing a movement and on articles containing any material which is the product of a country with respect to which Column 2 rates of duty apply may not be refunded. Articles for which duty refunds are claimed must have entered the customs territory of the United States during the two-year period prior to the issue date of the certificate or during the one-year period the certificate remains valid. Copies of the appropriate Customs entries must be provided with the refund request in order to establish a basis for issuing the claimed amounts. Certification regarding drawback claims and liquidated refunds relating to the presented entries is required from the claimant on the form.
